Dwight,

You are ~~over~~ past your natural abilities in athletics. Now it takes hard work to keep up with the other boys. I know you can do it, though. Best of luck now and in the future.

Congratulations to Champions

Because, for the first time in the history of H. C. H. S. a State Championship has been awarded to the football team, it is fitting to offer sincere congratulations, not only to the team and the coaching staff for the years of dedicated effort and training that championship requires, but to the entire student body and community, because it takes champions to create champions.

This goal, finally achieved, brings the realization that the work of the champion has only begun. A championship in football demands championship in life. The true champion continues to strive and to improve, knowing that success must bring further success. Once a champion, always a champion-providing work toward further and higher goals is continued.

Dedication

To you, the Nebraska State 8-Man Football Champions of 1962, we dedicate this annual. Your success on the football field has inspired and added prestige to our school and to our community. The thrill of sharing your honor as the State Champions of '62 is new to all of us and we appreciate your effort in bringing it to Hayes County High School.

Sincerely,

The Senior Class of 1963

Those Wonderful Years

Listen, Underclassmen, and you shall hear
The thrilling class history of "we Seniors dear!"
On the fifth of September, in '59
Every single face of we Freshman did shine.

Twenty there were of each size and shape
At the top of the stairs, could just stand and gape.
Our first class meeting was quite an event
With Donna Schneider elected our first president.

Mrs. Escritt, sponsor; vice-president, Linda Nelson;
Neil Schuman, secretary-treasurer, both offices one.
Initiation was the biggest riot.....
Then came studies to keep us quiet. (Ha! Ha!)

And so the story goes. The climax of our Freshman year was choosing dark blue and light blue for our class colors, the yellow rose for our flower, and our motto, "Can your Can'ts, Success comes in Cans." We designed our class banner. Everyone was sorry to loose Glenda Beebe and Ivan Hasenauer from our class roster.

At the beginning of our Sophomore year, Nancy Parker and Ray Prall enrolled in our class, leaving us twenty members. Later in the year, however, Nancy moved to California.

Sophomore officers elected were Connie O'Brien, president; Jonel Leffler, vice-president; Elaine Nitsch, secretary; Kim May, treasurer. Miss Norena Neufeld was our class sponsor. As always, the sophomore highlight was ordering our class rings. Becky Ward, Lea Hansen, Connie O'Brien, Jerry Potter, Neil Schuman and Ross Peters were chosen to serve at the Junior-Senior Banquet. Kim May, receiving a broken arm at a track meet, was unable to help serve.

Our Junior year started with the loss of two class members--Carol French and Ilene Christner, but we gained a new member when John Horvath moved to Hayes Center. John was elected president of our class. Other officers were vice-president, Elaine Nitsch; secretary, Connie O'Brien; and treasurer, Floyd Kolbet. The student council was organized and our representatives were Neil Schuman, Donna Schneider, and Linda Nelson. Mr. Bondi became our class sponsor.

Excitement stirred the air on October 10 when our class rings finally arrived. Naturally, they were the most unique, supersonic, dazzling rings ever in H. C. H. S. After two postponements County Government Day was successfully scheduled in December. The Weasles and Jaguars were the two major opposing parties. Then we starred in the Junior Class play "Cupid in Pigtails" presented in March. On a dreary, rainy day we juniors attended Career Day in McCook. In the spring we entertained the Seniors at the Junior-Senior Banquet. We selected "Showboat" as our theme.

At the beginning of our Senior year, we came to school with high hopes and spirits for a big year. Though we were a class of nineteen, the smallest in high school, WE were the mighty Seniors. We elected Donna Schneider, president; Linda Nelson, vice-president; Sheryl Kerchal, secretary; Elaine Nitsch, treasurer; and Connie O'Brien, John Horvath and Neil Schuman as student council representatives. We were thrilled to have Carol French back with us again. Mrs. Horvath was our class sponsor and director of our play, "Headin' for the Hills."

The four years we've spent together as classmates in Hayes County High will, no doubt, be a few of the most memorable years of our lives. Friendships, formed in the halls of H. C. H. S. as we've worked, played and studied together, have, we trust, prepared us for citizenship in our world.

Class Will of '63

We, the Senior Class of Hayes County High School, leave these, our most treasured possessions to the undergrads, hoping they will make the best possible use of them:

I, Lee Cox, will my ability to keep quiet to my loud mouthed sister, Rosalie.
I, Linda Nelson, will my method of exterminating plants to Gary Hastings and Darwin Wilson.
I, Jonel Leffler, will my winning way with Missouri Men to Pat Davis.
I, Jerry Potter, will myself to the junior class, so I won't have to leave.
I, Connie O'Brien, will my college boyfriend to absolutely nobody.
I, John Horvath, will my ability to run to Rog Nitsch.
I, Karol Lee, will my dimples to Ann Tepley.
I, Becky Ward, will my ability at managing two lunch hours to Betty Hasenauer.
I, Neil Schuman, will my dark hair and glasses to Steve Romersheuser.
I, Lea Hansen, will my love of custard pudding to Fred Lyons.
I, Kim May, will my track shoes to Johnny Miller.
I, Carol French, will my ability to get along with teachers and to stay into, (whoops) out of trouble, to Shirley Hansen.
I, Ross Peters, will my favorite parking spot to Gene Fowler, who probably already has enough of his own.
I, Sharron Glee, will my ability to lose class rings to Rita Jeffers.
I, Floyd Kolbet, will my good behavior in study hall to Jerry Patterson.
I, Elaine Nitsch, will my quiet, reformed, lady-like ways to Lynda Fowler.
I, Ray Prall, will my hair to Mr. Davis, providing he makes good use of it.
I, Sheryl Kerchal, will my ability to play pinochle to Rita Jeffers. "Just bid high, Rita!"
I, Donna Schneider, will my height to Dwayne Muths.
I, Ellen Horvath, Senior sponsor, do will and bequeath my interest in this Senior Class of 1963 to whomever they should come in contact as they enter the adult world of keen competition, hardship, happiness and "Hard Knocks."

We, the Seniors do hereby will and bequeath:
The "governing hand" back to the Board of Education and Mr. Davis.
Our ability to be studious - especially in study hall - to the sophomores.
Our brand new, A-1 condition books to the "hopeful" class of 1964.
Our ability to keep the teachers happy to the freshmen - who already seem to have the technique.

We, the Senior Girls, will ourselves to Mr. Pippitt.....since he already likes us so much.

We, the Senior Boys, will our athletic ability to all the HCHS athletes who will follow us - but who will never equal us.

Mrs. Ellen Horvath, who, each day, came faithfully to teach her senior English class was also, in the deep, dark caverns of her basement, working on a highly scientific secret project with her talented son, John. Using the basic idea and model of a television set, Ellen set up a network of nineteen channels, each being the station for the future of one of her senior students. With this power on her dial, she settled down on Wednesday, May 15, after the commencement exercises of 1963, and, for her viewing pleasure, tuned in to the future of each of her students. The first channel she tuned in was KCROB. The star of the show, CONNIE O'BRIEN has just opened the first Hayes County Orphanage in the back room of the Rucker Service Station which recently changed hands when Stan retired and left the job to his nephew, Ronnie. The year in 1974. With a flip of the switch, KDMS comes into view, and DONNA SCHNEIDER is pictured. She has installed the Schneider Music Shoppe in the McCook International Harvester building since her musical training days in Kearney State College. Ellen turns the dial to KLGH. The picture is the sky and an Unger jet plane, from the new Unger Airlines, flies into sight. This plane is piloted by the first married jet pilots in history. LEA HANSEN'S secret desire has always been to be a pilot. During the station break, the dial has been turned to the combined stations, KBJW and KELC, where a once active journalism student of HCHS, BECKY WARD, has become a first-rate, on-the-spot racing reporter. She has traveled with winner race driver, LEE COX, as he won the Grand Prix, to make sure her story covered all the facts. A change of channels, and KSLG is on the screen, calling "Nurse SHARRON GLEE." This is the popular cry from the ill and afflicted in the new Hayes County Glee-Rader Hospital. The most famous trait of this hospital is that French Horn Stereophonic Music is piped into each room. Ellen, after getting some popcorn to munch on, tried channel KJAH. There was much interference, so she turned to KCDF, where Head Mistress CAROL FRENCH is the superintendent in her French School for boys. The main study here is "Drums Made Easy," and is being taught by Carol. Next channel, KLLN, shows LINDA NELSON, having been discovered after her extraordinary performance as a man chaser in "HEADIN FOR THE HILLS" as the private nurse on the new T.V. Series "Young Doctor Lyons." Wondering about a close friend of her son's, Ellen chose channel KRKM and found that KIM MAY has gone ahead in his racing career to win the Olympics of 1974. He has just been awarded the highest honor; the Penthaolin. Due to his remarkable racing ability, a statue of his famous head will be dedicated to the world in 1978, at the next Olympics. Interference caused Ellen to change to KJBL, where Mademoiselle JONEL LEFFLER has returned home after her personal appearance tour featuring her famous hair styles. She is now working on a grand opening for her beauty salon on the fifth floor of the Hayes County Sky Scraper. Ellen tried channel KJAH, again a commercial was on, so she turned to the combined stations, KSAK and KJFP, where our leading Physics Scientists, JERRY POTTER and SHERYL KERCHAL, are now working together on the project of an electronic home, the main feature being a loud speaker which will softly fill the rooms with pertinent Physics facts. Another combination KRWP and KFMK, the future RAYMOND PRALL, bored by the luxurious life of a Hollywood barber, has returned to Hayes County, and is now the private barber on the FLOYD KOLBET Rabbit Ranch, which is prospering remarkably since Floyd and Ray are back together. Channel KEIN was the next choice, and the scene is the Haarberg Ranch near Wauneta where the former ELAINE NITSCH is training three of her little girls to be cheerleaders. Ellen switched to KNES where NEIL SCHUMAN is pictured studying law at Harvard, where he hopes to learn how to win arguments on home grounds with wife Lana. A turn to channel KKML shows KAROL LEE a private secretary for President Leffler at the trustworthy Hayes County bank. The last program Ellen tuned in on was KRLP and ROSS PETERS is now the owner of a large and thriving recreation parlor where he spends his time when not chasing the eligible young ladies in town. After a useless half hour spent trying to get Channel KJAH, Mrs. Horvath retired. A great knowledge was now hers. She had the powerful knowledge of people's future. This is a great load on anyone's mind. The future she was most interested in she would have to wait to learn, as she could not tune in on JOHN HORVATH'S future. More than likely this was because she could not have kept this forecast from her son.
